1800 Tequila Essential Artists: Bo Joseph

May 2013

Since graduating from the Rhode Island School of Design in 1992 with a BFA in Painting, Bo Joseph has exhibited in galleries and institutions across the US and abroad, has won several awards and fellowships, and is included in museum collections in Houston, TX; Kansas City, MO; Springfield, OH; and Guilin, China. In his work, Joseph uses the appropriation and mingling of iconic forms from disparate cultures and historic periods to examine how our beliefs and perception charge the experience of reality and affect how we compile collective knowledge. Joseph lives and works in New York City.
